10. The following table summarizes the results of the study. The first column lists the variables, the second column lists the estimated coefficients, and the third column lists the standard errors.

DIE LANDESRI

Genehmigungsvermerk der
Steiermärkischen Landesregierung:
vom:.....

The University crest is located in the bottom right corner of the slide. It features a green shield with a white border. Inside the shield is a white figure, possibly a person or a stylized animal, standing on its hind legs. The figure appears to be holding a staff or a long object. The crest is set against a dark background.
